

BASELINE WATER®

Hydrogeologist – Junior/Intermediate Level

Baseline Water Resource Inc. is seeking a Junior/Intermediate level Hydrogeologist to assist with a variety of projects in Western Canada. The preferred candidate would live in Alberta in the Calgary area. This position is office and field based with the flexibility to work from home.

Job Duties will include:

Assist with the planning and management of various projects:

- Regional Baseline Hydrogeological Assessments
- Water Supply Evaluation & Licensing
- Groundwater and Surface Water Quality and Quantity Investigations
- Environmental Site Assessment (ESA) and Remediation
- Environmental Monitoring and Telemetry

Successful candidates should have the following qualifications / credentials:

- Bachelor's or Master's Degree from a recognized institution in Geology/Hydrogeology
- Membership or eligibility for membership with APEGA
- 1-5 years of applicable experience
- Strong technical background in physical hydrogeology and/or hydrogeochemistry
- Self-motivated and able to work within a team environment and independently
- Proficient computer skills (Word, Excel, PowerPoint, ArcGIS)
- Excellent writing and communication skills
- Strong attention to detail and accuracy
- Valid driver's license and a clean driving record
- Willing to work flexible hours and undertake fieldwork throughout the year
- Willing to travel out of town for some projects on an intermittent basis

Additional Assets (but not required):

- Previous work experience in a consulting environment
- Previous safety training and knowledge of OH&S and standard safety practices
- Knowledge of regulatory requirements for the oil & gas industry, particularly AEP and AER
- Working knowledge of GIS and/or AutoCAD-based software
- Groundwater modeling (Modflow)

Baseline Water Resource Inc. recognizes professional development where motivated, forward-thinking candidates can achieve career growth and advancement. Employees are encouraged to contribute to the development, success and growth of the company through new ideas and open communication with management and fellow employees.

Please submit your resume to info@baselinewater.com. This position will remain open until a suitable candidate is selected. We thank all applicants, however, only candidates chosen for an interview will be contacted.
